ABOUT THE PRODUCT

Introducing the **Tirth Skhetra Collection**, inspired by Indian terrains and cultural significance, especially the sacred sites of Jainism.

This art series offers an abstract representation that intricately captures the geographic essence of Jain tirth kshetras, fostering conversations and sharing experiences about the locations, religion, temples, and history through its monolithic design.

Explore the rich tapestry of Jain heritage with each artefact, inviting a deeper connection to the cultural fabric of these revered sites

*Note: Please note that product appearance may vary from the pictures provided, as the final result is dependent on the use of natural materials, ensuring a unique and authentic character for each item.
